The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations or the International Organization for Migration.
Final boundary between the Republic of Sudan and the Republic of South Sudan has not yet been determined.
*Dotted line represents approximately the Line of Control in Jammu and Kashmir agreed upon by India and Pakistan.
The final status of Jammu and Kashmir has not yet been agreed upon by the parties.
A dispute exists between the Governments of Argentina and the United Kingdom of Great Britain and Northern Ireland concerning sovereignty over the Falkland Islands (Malvinas).

1) Note: When available, remittances are measured as the sum of personal transfers and compensation of employees data from IMF's Balance of Payments Statistics Year Book. The data shown in this indicator do not include remittances sent through informal channels and they might not always fully capture flows of small amounts through money transfer operators. Trends over time are not directly comparable because of changes in measurement.
